AGENDA

DAY - 1

09:00 AM – 10:00 AM

Registration, Exhibition & Networking

- Delegate onboarding
- Buyer-supplier meetings
- Exhibition walkthrough

10:00 AM – 10:30 AM

Keynote 1 - Asia Rubber Market Outlook

- Demand-supply trends (NR vs SR)
- Price volatility
- Role of China/India/SEA
- Trade flows
- Geopolitical impact
- Future outlook

10:30 AM – 11:00 AM

Keynote 2 - Procurement & Supply Chain Strategy

- Raw material risk management
- Supplier diversification
- Contract strategies
- Inventory planning
- Cost vs quality balance

11:00 AM – 12:00 PM

Panel 1 : Raw Materials & Supply Chain Dynamics

- Natural vs synthetic rubber outlook
- Plantation constraints
- Petrochemical feedstock trends
- Import dependency
- Logistics challenges
- ESG sourcing
- Risk mitigation

12:00 PM – 12:30 PM

Session : Advances in Rubber Processing

- Automation in mixing/extrusion
- Energy-efficient systems
- Yield improvement
- Waste reduction
- Process consistency

12:30 PM – 01:00 PM

Session : Machinery & Smart Manufacturing

- Industry 4.0 integration
- IoT-enabled machinery
- Predictive maintenance
- Downtime reduction
- ROI on upgrades

01:00 PM – 01:30 PM

Session : End-User Demand Trends

- Demand across automotive/industrial sectors
- Performance expectations
- OEM certifications
- Cost vs durability trade-offs

01:30 PM – 02:30 PM

Lunch & Networking

02:30 PM – 03:30 PM

Panel 2 : Sustainability, EPR & Compliance

- EPR regulations (India/global)
- Compliance challenges
- Sustainability vs cost
- Waste reduction
- Carbon footprint
- ESG reporting

03:30 PM – 04:00 PM

Session : Pyrolysis & Waste-to-Value

- Technology overview
- Outputs (oil/carbon/gas)
- Scalability
- Commercial viability
- Environmental norms

04:00 PM – 04:20 PM

Tea Break & Networking

04:20 PM – 05:20 PM

Panel 3 : Recycling & Circular Economy

- Devulcanization
- Reclaim rubber
- Integration into production
- Quality concerns
- Policy incentives
- Startup innovations

05:20 PM – 05:50 PM

Session : Additives & Performance Materials

- Role of additives
- Durability enhancement
- Sustainable/bio-based chemicals
- Lifecycle improvement
- Cost-performance optimisation

05:50 PM – 06:00 PM

Closing remarks

07:30 onwards

Gala Dinner and Networking

DAY - 2

09:00 AM – 10:15 AM

High Tea & Networking

- Exhibitor visits, partner meetings

10:15 AM – 10:30 AM

Keynote : Standards & Policy Framework for Rubber Industry

- Indian & global standards (BIS, ISO)
- EPR regulations
- Compliance requirements
- Quality benchmarks
- Export regulations
- Policy roadmap for India

10:30 AM – 11:30 AM

Panel 4: Rubber Innovation & Advanced Applications

- Specialty rubber use cases
- EV-driven demand
- High-performance materials
- Sector-specific innovations

11:30 AM – 12:00 PM

Session : Emerging Materials & Specialty Rubber

- Bio-based rubber
- High-performance elastomers
- Sustainability innovations
- New material research

12:00 PM – 12:30 PM

Session : Digitalization in Rubber Manufacturing

- Smart factories
- AI/ML in production
- Real-time monitoring
- Data-driven efficiency
- Cybersecurity

12:30 PM – 01:30 PM

Panel : Investments & Industry Collaboration

- Investment trends
- Startup ecosystem
- JV opportunities
- Funding challenges
- Collaboration models

01:30 PM – 02:30 PM

Lunch & Networking

02:30 PM – 03:30 PM

Panel : Future of Rubber Industry

- Demand outlook
- Policy direction
- Digital transformation
- Sustainability roadmap
- Global competitiveness

03:30 PM Onwards

High Tea & Networking

ABOUT ORGANISER

PolyMint is the polymer-focused sister concern of BigMint, built on BigMint's globally trusted framework for price reporting, market intelligence, and industry engagement. Leveraging BigMint's IOSCO-aligned ****Price Reporting Agency (PRA)** methodology, PolyMint delivers transparent price assessments, market insights, analytics, and strategic intelligence dedicated to the polymer and plastics value chain.
